LAS VEGAS — An all-suite hotel and spa designed for those who love the excitement of Las Vegas, but prefer to enjoy it in a smaller and more exclusive, non-gaming, smoke-free environment, Vdara Hotel & Spa is a luxury boutique property located at CityCenter.

Vdara is physically connected to the Bellagio and directly adjacent to the Aria Resort & Casino, offering access to all of the amenities and energy of CityCenter while also providing a nearby retreat from the hustle and bustle of the strip.

The Vdara made its big debut in De-

cember 2009. Internationally-inspired, the chic boutique resort offers a holistic spa, luxurious pool, intimate meeting space, and the sophisticated and convenient Bar Vdara and Market Café Vdara, both located in their small and easy-to-navigate lobby.

Featuring 10,000 square feet of contemporary conference space, Vdara has become the premier choice in Las Vegas for customized executive meetings, corporate, social, and banquet functions for up to 400 guests. The Pool & Lounge, a beautiful getaway that we had the chance

to experience firsthand, also features 19 luxurious cabanas, including six spa cabanas.

While at the Vdara people have the opportunity to experience what is surely a first in many of their lives: snacks and coffee delivered to their rooms by two relay robots by the names of Fetch and Jett. These talented bots work alongside their human colleagues to transport an array of frequently forgotten and requested amenities including shaving and dental kits as well as tasty bites and drinks from Market Café. ■
